### Sleeping In The Fire by Wasp

Touch, touch in the flame's desires

Feeling the pain's denial,

And your fingers in the fire

Look, look in the candle light

See in the flame of life

And my spell is our lie

[Chorus:]

Taste the love

The Lucifer's magic that (1)\_\_\_\_\_ you numb

The passion and all the pain are one

You're (2)\_\_\_\_\_ in the fire

Taste the love

The Lucifer's magic (3)\_\_\_\_\_ makes you numb

You feel (4)\_\_\_\_\_ it does and you're drunk on love

You're sleeping in the fire

I gaze at the (5)\_\_\_\_\_ and fire burn

And cry out the name of (6)\_\_\_\_\_ I yearn

[Chorus]

Taste the love

The Lucifer's magic (7)\_\_\_\_\_ (8)\_\_\_\_\_ you numb

The passion and all the (9)\_\_\_\_\_ are one

You're (10)\_\_\_\_\_ in the fire
