

## Fill in the gaps

### Sleeping In The Fire by Wasp

Touch, (1)\_\_\_\_\_ in the flame's desires

Feeling the pain's denial,

And (2)\_\_\_\_\_ (3)\_\_\_\_\_ in the fire

Look, look in the (4)\_\_\_\_\_ light

See in the flame of life

And my spell is our lie

[Chorus:]

Taste the love

The Lucifer's magic that makes you numb

The (5)\_\_\_\_\_ and all the pain are one

You're (6)\_\_\_\_\_ in the fire

Taste the love

The Lucifer's magic that makes you numb

You feel what it does and you're (7)\_\_\_\_\_ on love

You're sleeping in the fire

I gaze at the flame and (8)\_\_\_\_\_ burn

And cry out the name of which I yearn

[Chorus]

Taste the love

The Lucifer's magic that makes you numb

The passion and all the pain are one

You're sleeping in the fire
