

Fill in the gaps

In your (1) eyes	If everything was everything but (15)
I (2) away	is over
In your (3) eyes	Everything could be everything if only we were older
Couldn't stay	Guess its (16) a silly song about you
In (4) brown eyes	And how I (17) you
You watch her go	And (18) brown eyes
Turn the record on	Everything was everything
And wonder what went wrong	But baby its the last show
What went wrong	Everything could be everything
If everything was (5) but	But its (19) to say goodbye so
(6) is over	Get your last fix, and (20) last hit
Everything could be everything if only we were older	Grab your old bow with (21) new tricks
Guess its (7) a (8) song about you	I mean its no surprise I got lost
And how I (9) you	In your (22) eyes
And (10) brown eyes	In (23) brown eyes
In your brown eyes	(Brooown brooown) eyes
I was feeling low	Brown eyes
Cause the brown eyes	(Brooown brooown) eyes
And you never know	Got some (24) eyes
Got some (11) eyes	(Brooown brooown) eyes
But a soft face	Brown eyes
I (12) that it was wrong	
So baby turn the (13) on	
Play (14) song
