

Fill in the gaps

In your (1) eyes	If everything was everything but everything is over
I walked away	Everything could be everything if only we were older
In your brown eyes	Guess its just a silly song about you
Couldn't stay	And how I lost you
In your brown eyes	And (9) brown eyes
You watch her go	Everything was everything
Turn the record on	But baby its the last show
And wonder what went wrong	Everything (10) be everything
What went wrong	But its time to say goodbye so
If (2) was	Get your last fix, and your last hit
(3) but everything is over	Grab your old bow with your new tricks
Everything (4) be everything if (5) we	I mean its no surprise I got lost
were older	In your brown eyes
Guess its just a silly (6) about you	In your brown eyes
And how I lost you	(Brooown brooown) eyes
And your brown eyes	Brown eyes
In your (7) eyes	(Brooown brooown) eyes
I was feeling low	Got some broown eyes
Cause the brown eyes	(Brooown brooown) eyes
And you never know	Brown eyes
Got some (8) eyes	
But a soft face	
I knew that it was wrong	
So baby turn the record on	
Play that song
