

## Fill in the gaps

(Ooooooh, ooooooh, hey!)
It's seventy two degrees, zero chance of rain
It's been a perfect day
We're all spinning on our heels, so far away from real
In California, (hey)
We watched the sunset from our car, we all took it in
And by the time that it was dark
You and me had something, (yeah)
And if this is what we've got
Then what we've got is gold
We're shining bright and I want you
I (1) you to know
The morning's on it's way
Our friends all say goodbye
There's nowhere else to go
I hope that you'll (2) the night
(Ooooooh)
You'll stay the night
(Ooooooh yeah)
We've been singing Billie Jean
Mixin' vodka with caffeine
We've got (3) stopping by
And though you're out of tune
Girl you blow my mind, you do
And I'll say I don't (4) say good night
There's no quiet corner to get to know each other
And there's no hurry I'm a patient man
Is your discover
Cause if this is what we've got
Then what we've got is gold
We're shining bright and I want you

I want you to know
The morning's on it's way
Our friends all say goodbye
There's nowhere (5) to go
I (6) that you'll stay the night
(Ooooooh)
You'll stay the night
(Ooooooh yeah)
Just like the song on our radio set
We'll share the shelter of my single bed
But it's a different (7) that's stuck in my head
And it goes
If this is what we've got
Then (8) we've got is gold
We're shining bright and I want you
I want you to know
The morning's on it's way
Our friends all say goodbye
There's nowhere else to go
I hope that you'll (9) the night
If this is what we've got
Then what we've got is gold
We're shining bright and I want you
I want you to know
The morning's on it's way
Our friends all say goodbye
There's (10) else to go
I hope that you'll stay the night
