

We're shining bright and I want you

Fill in the gaps

(Ooooooh, ooooooh, hey!)	I (18) you to know
It's seventy two degrees, (1) chance of rain	The morning's on it's way
It's been a perfect day	Our (19) all say goodbye
We're all spinning on our heels, so far away from real	There's nowhere else to go
In California, (hey)	I hope that you'll stay the night
We watched the sunset from our car, we all took it in	(Ooooooh)
And by the (2) (3) it was dark	You'll stay the night
You and me had something, (yeah)	(Ooooooh yeah)
And if this is (4) we've got	Just like the song on our radio set
Then what (5) got is gold	We'll share the (20) of my single bed
We're (6) bright and I want you	But it's a (21) tune
I (7) you to know	(22) stuck in my head
The morning's on it's way	And it goes
Our friends all say goodbye	If this is what we've got
There's nowhere (8) to go	Then what we've got is gold
I hope (9) you'll stay the night	We're shining bright and I (23) you
(Ooooooh)	I want you to know
You'll stay the night	The morning's on it's way
(Ooooooh yeah)	Our friends all say goodbye
We've been singing Billie Jean	There's nowhere else to go
Mixin' vodka with caffeine	I hope that you'll stay the night
We've got (10) stopping by	If this is what we've got
And (11) (12) out of tune	Then (24) we've got is gold
Girl you blow my mind, you do	We're shining (25) and I want you
And (13) say I don't wanna say	I want you to know
(14) night	The (26) on (27)
There's no (15) corner to get to know each other	way
And there's no hurry I'm a (16) man	Our friends all say goodbye
ls your discover	There's nowhere else to go
Cause if (17) is what we've got	I hope that you'll stay the night
Then what we've got is gold
