## Stay The Night by James Blunt

## Fill in the gaps

(Ooooooh, ooooooh, hey!)	I want you to know
It's seventy two degrees, zero chance of rain	The morning's on it's way
It's been a perfect day	Our friends all say goodbye
We're all spinning on our heels, so far away from real	There's (7) else to go
In California, (hey)	I hope that you'll stay the night
We watched the (1) from our car, we all took it	(Ooooooh)
in	You'll stay the night
And by the time that it was dark	(Ooooooh yeah)
You and me had something, (yeah)	Just like the song on our radio set
And if this is what we've got	We'll share the shelter of my single bed
Then what we've got is gold	But it's a different tune that's stuck in my head
We're shining bright and I want you	And it goes
I want you to know	If (8) is what we've got
The morning's on it's way	Then what we've got is gold
Our friends all say goodbye	We're shining bright and I (9) you
There's nowhere else to go	I want you to know
I hope that you'll stay the night	The morning's on it's way
(Ooooooh)	Our friends all say goodbye
You'll stay the night	There's nowhere else to go
(Ooooooh yeah)	I hope that you'll stay the night
We've been singing Billie Jean	If this is what we've got
Mixin' (2) with caffeine	Then what we've got is gold
We've got (3)(4)	We're shining (10) and I want yo
by	I want you to know
And though you're out of tune	The morning's on it's way
Girl you blow my mind, you do	Our friends all say goodbye
And I'll say I don't wanna say good night	There's nowhere else to go
There's no quiet corner to get to know each other	I hope that you'll stay the night
And there's no hurry I'm a patient man	
Is (5) discover	
Cause if this is what we've got	
Then what (6) got is gold	
We're shining bright and I want you
