### Stay The Night by James Blunt

(Ooooooh, ooooooh, ooooooh, hey!)

It's seventy two degrees, zero chance of rain

It's been a perfect day

We're all spinning on our heels, so far away from real

In California, (hey...)

We watched the sunset from our car, we all (1)\_\_\_\_\_ it in

And by the time that it was dark

You and me had something, (yeah)

And if this is what we've got

Then what we've got is gold

We're (2)\_\_\_\_\_ bright and I want you

I want you to know

The morning's on it's way

Our friends all say goodbye

There's nowhere else to go

I hope that you'll stay the night

(Ooooooh)

You'll stay the night

(Ooooooh... yeah)

We've been singing Billie Jean

Mixin' vodka with caffeine

We've got strangers stopping by

And though you're out of tune

Girl you blow my mind, you do

And I'll say I don't wanna say good night

There's no quiet corner to get to know each other

And there's no hurry I'm a patient man

Is your discover

Cause if this is what we've got

Then what we've got is gold

We're shining bright and I want you

I (3)\_\_\_\_\_ you to know

The morning's on it's way

Our (4)\_\_\_\_\_ all say goodbye

There's nowhere else to go

I hope (5)\_\_\_\_\_ you'll stay the night

(Ooooooh)

You'll stay the night

(Ooooooh... yeah)

Just like the song on our (6)\_\_\_\_\_ set

We'll share the shelter of my single bed

But it's a different tune that's stuck in my head

And it goes...

If this is what we've got

Then what we've got is gold

We're shining (7)\_\_\_\_\_ and I want you

I want you to know

The morning's on it's way

Our friends all say goodbye

There's nowhere else to go

I hope that you'll stay the night

If this is what we've got

Then what (8)\_\_\_\_\_ got is gold

We're shining bright and I want you

I want you to know

The morning's on it's way

Our (9)\_\_\_\_\_ all say goodbye

There's nowhere else to go

I hope that you'll stay the night
