Nothin' On You by B.o.B. & Bruno Mars

Beautiful (1) all over the world	You're my Wonder Woman, call me Mr. Fantastic
I could be chasing	Stop, now think about it
But my time would be wasted	I've been to London, I've been to Paris
They got (2) on you, baby	Even way out (17) in Tokyo
Nothing on you, baby	Back home down in Georgia, to New Orleans
I know you feel where I'm (3) from	But you always steal the show
Regardless of the things in my past that I've done	And just (18) that girl, you got me froze
Most of it really was for the (4) of the fun	Like a Nintendo 64
On a carousel, so (5) I spun	If you never knew, well, now you know, know, know.
With no direction, (6) tryna get some	Beautiful (19) all over the world
Tryna chase skirts, living in the summer sun	I could be chasing
And so I lost more than I had ever won	But my time would be wasted
And honestly, I ended up with none	They got (20) on you, baby
It's so much nonsense	Nothing on you, baby
It's on my conscience	They might say hi
I'm (7) "maybe I should get it out"	And I (21) say hey
And I don't wanna sound redundant	But you shouldn't worry
But I was wondering	About what they say
If (8) was something that you wanna know	Cuz (22) got nothing on you, baby
But never mind that we should let it go	Nothing on you, baby
Cause we don't wanna be a TV episode	Everywhere I go
And all the bad thoughts, just let em go, go, go	I'm always hearing (23) name
Beautiful girls all over the world	And no matter where I'm at
I could be chasing	Girl you make me (24) sing
But my time would be wasted	Whether a bus or a plane
They got nothing on you, baby	Or a car, or a train
Nothing on you, baby	No (25) girl's on my brain
They might say hi	And you the one to blame
And I might say hey	Beautiful girls all over the world
But you shouldn't worry	I could be chasing
About (9) they say	But my time would be wasted
Cuz they got nothing on you, baby	They got nothing on you, baby
Nothing on you, baby	Nothing on you, baby
Hands down, (10) will never be another one	They (26) say hi
I've (11) around, and I've never seen	And I (27) say hey
(12) one	But you shouldn't worry
Because your style, I 'aint (13) got nothin' on	About what they say
And you wild when you 'aint got nothin' on?	Cuz they got nothing on you
Baby you the (14) package	
Plus you pay your taxes	
And you keep it real, (15) (16) others	
stay plastic
