## Nothin' On You by B.o.B. & Bruno Mars

Beautiful girls all over the world	You're my (8) Woman, call me Mr. Fantastic
I could be chasing	Stop, now think about it
But my time would be wasted	I've been to London, I've been to Paris
They got nothing on you, baby	Even way out there in Tokyo
Nothing on you, baby	Back home down in Georgia, to New Orleans
I know you (1) where I'm coming from	But you always (9) the show
Regardless of the things in my past that I've done	And just like that girl, you got me froze
Most of it really was for the hell of the fun	Like a (10) 64
On a carousel, so around I spun	If you never knew, well, now you know, know, know
With no direction, just tryna get some	Beautiful girls all over the world
Tryna chase skirts, living in the (2) sun	I could be chasing
And so I lost more than I had ever won	But my time would be wasted
And honestly, I (3) up with none	They got nothing on you, baby
It's so much nonsense	Nothing on you, baby
It's on my conscience	They might say hi
I'm thinking "maybe I should get it out"	And I might say hey
And I don't (4) sound redundant	But you shouldn't worry
But I was wondering	About what they say
If there was something that you (5) know	Cuz they got nothing on you, baby
But never mind that we should let it go	Nothing on you, baby
Cause we don't wanna be a TV episode	Everywhere I go
And all the bad thoughts, just let em go, go, go	I'm always hearing your name
Beautiful girls all over the world	And no matter where I'm at
I could be chasing	Girl you make me wanna sing
But my time would be wasted	Whether a bus or a plane
They got nothing on you, baby	Or a car, or a train
Nothing on you, baby	No other girl's on my brain
They might say hi	And you the one to blame
And I might say hey	Beautiful girls all over the world
But you shouldn't worry	I could be chasing
About what (6) say	But my time would be wasted
Cuz they got nothing on you, baby	They got nothing on you, baby
Nothing on you, baby	Nothing on you, baby
Hands down, there (7) never be another one	They might say hi
I've been around, and I've never seen another one	And I might say hey
Because your style, I 'aint really got nothin' on	But you shouldn't worry
And you wild when you 'aint got nothin' on?	About what they say
Baby you the whole package	Cuz they got nothing on you
Plus you pay your taxes
