Cold
I'm boarding up the windows
Locking up my heart
It's like every time the wind blows
I feel it tearing us apart
Every time he smiles
I let him in again
Everything is fine
When you're standing in the eye of the hurricane
Here comes the sun, here comes the rain
Standing in the eye of the hurricane
Here comes the sun, here comes the rain
Standing in the eye of the hurricane
He picks me up like
He's got the way of the hurricane
And think I'm fine like
I'm in the eye of the hurricane
He picks me up like
He's got the way of the hurricane
And think I'm (16) like
I'm in the eye of the hurricane
And I'm floating, floating
And I don't know it, (17) it
And I'm gonna drop
He's got the way, he's got the way
I'm boarding up the windows
Locking up my heart
It's like every time the wind blows
I feel it (18) us apart
Every time he smiles
I let him in again
Everything is fine
When you're standing in the eye of the hurricane
Here comes the sun, (19) comes the rain
Standing in the eye of the hurricane
Here comes the sun, (20) comes the rain
Standing in the eye of the hurricane
He picks me up like
He's got the way of the hurricane
And think I'm fine like
I'm in the eye of the hurricane
(He's got the way)
