

I've been thinking about you for all of this time

## Fill in the gaps

## More Than Friends by Inna & Daddy Yankee

Come (arriba) let's go now	(Whoa) tonight
(Whoa) tonight	Tonight we could be more than friends
Tonight we could be more (1) friends	Baby!
(Whoa) tonight	She (8) my bell, and they (9) the floor
Tonight we should be more than friends	You mighta' think that's cool saw
We're in the corner of a crowded room	Everybody in the club was hot
I want your lips your body, boy, how soon?	'Til I showed my watch
And if you like what we're doing	And they cooled out
Why don't we give in for the night?	(Caliente, frio)
This might just be the (2) of you and I	(Todo eso que tu tienes es mio)
If there's no distance in our heart tonight	(Caliente, frio)
And if you like	(Todo eso que tu tienes)
What we're doing?	It's forever (forever)
Why don't we give in for the night?	You could be mine
(Whoa) tonight	It's whatever (whatever)
Tonight we could be more than friends	Whatever you like
(Whoa) tonight	It's forever (forever)
Tonight we should be (3) than friends	You could be mine
From the first time that I saw the look in your eyes	And I'm needing you right now
I've been thinking about you for all of (4) time	Baby come and hold me down
(Whoa) tonight	(Caliente, frio)
Tonight we could be more than friends	(Todo eso que tu tienes es mio)
Ain't looking for someone to call on my own	(Whoa) tonight
But with you boy we're in danger zone	Tonight we could be more (10) friends
And if you like	(Whoa) tonight
What were doing?	Tonight we should be more than friends
Why don't we give in for the night?	From the first time that I saw that look in your eyes
So here we are, I just dream of you	I've been thinking about you for all of this time
And all the things that I'm about to do to you	(Whoa) tonight
And if you like	(Ye-eah)
What we're doing?	Tonight we could be more than friends
Why don't we give in for the night?	
(Whoa) tonight	Tonight we could be more than friends
Tonight we (5) be more than friends	
(Whoa) tonight	Tonight we could be more than friends
Tonight we should be (6) than friends	
From the first time that I saw the (7) in your eyes	

## Fill in the gaps

- 1. than
- 2. night
