It Must Have Love by Roxette

Fill in the gaps

It Must Have Been Love But its over now
Lay a whisper on my pillow
Leave the winter on the ground
I wake up lonely, there's air of silence
In the bedroom and all around
Touch me now, I close my eyes and dream away
It must have (1) love, but it's (2) now
It must (3) been good, but I (4) it somehow
It must have been love, but it's over now
From the moment we touched till the time had run out
Make believing, we're together
That I'm sheltered by your heart
But in and outside I've turned to water
Like a teardrop in your palm
And it's a hard winter's day, I dream away
It must have been love, but it's over now
It was all that I wanted, now I'm living without
It must have been love but it's over now
It's where the (5) flows, it's where the wind blows
It must have (6) love but it's over now
It must have been good, but I lost it somehow
It must have been love, but its (7) now
From the moment we touched till the time had run out
Yeah It must have (8) love, but it's over now
It was all that I wanted, now I'm living without
It must (9) (10) love but it's over now
Its where the water flows, its where the wind blows
