

## Fill in the gaps

So tired, tired of these drama	No more pain (no more pain)
No more, no more	No more game (no more game (4) with my
I wanna be free	mind)
I'm so tired, so tired	No drama (no more (5) in my life)
Broken heart again	No one's gonna make me hurt again
Another lesson learn	No more tears (no more tears, I'm tired of cryin everynight)
Better know your friends	No more fears (no more fears, I really don't wanna cry)
Or else you (1) get burn	No drama (no more drama in my life)
Gotta count on me	I don't ever wanna hurt again
Cause I can guarantee	Wanna speak my mind, wanna speak my mind
That I'll be fine	Uh, it feel so good
No more pain (no more pain)	When you let go
No more (2) (no more pain)	Of all the (6) in (7) life
No drama (no more drama in my life)	Now you're (8) from all the pain
Noone's gonna make me hurt again	Free from all the game
Why'd I play the fool	Free from all the stress
Go through ups and downs	So bye your happiness
Knowin' all the time	I don't know
You wouldn't be around	Only God knows where the (9) ends
Well (3) I like the stress	For me, but I know where the story begins
Cause I was young and restless	It's up to us to choose
But there was long ago	Whether we win or loose
I don't wanna cry no more	And I choose to win
