

And now the end is near	
And so I face the (1)	curtain
My friend I'll say it clear	
I'll state my case of which I'm	n certain
I've lived a (2) that	at's full
I traveled each and (3)	highway
And more, (4) mo	ore than this
I did it my way	
Regrets I've had a few	
But then again too few to mention	
I did what I had to do	
And saw it through (5)	exemption
I planned each charted cours	se
Each careful step along the byway	
And more, much more than t	his
I did it my way	
Yes there were times I'm (6)	you knew
When I bit off more (7) I could chew	
But through it all (8)	_ there was doubt
I ate it up and spit it out, I fac	ed it all
And I (9) tall and did it my way	

Fill in the gaps

I've loved, I've laughed and cried I've had my fill, my share of losing And now as tears subside I find it all so amusing To think I did all that And may I saynot in a shy way Oh no, oh no, not me I did it my way For what is a man what has he got If not (10)_ then he has not To say the things he truly feels And not the words of one who kneels The record shows I took the blows And did it my way Yes it was my way
