

Fill in the gaps

No It Isn't by Plus 44

Please understand

This isn't just goodbye

This is I can't stand you

This is where the road crashed into the ocean

It rises all around me

And now we're barely breathing

A thousand faces we'll choose to ignore

Curse my enemies forever

Let's slit our wrists and (1)_____ down

(2)_____ beautiful

This desperation leaves me overjoyed

With fading lights that lead us (3)_____ the lives that we
destroy

I listen to you cry

A cry for less attention

But (4)_____ my (5)_____ are tied

And I'm (6)_____ into the deep end

I listen to you talk but (7)_____ is cheap

And my (8)_____ is (9)_____ with blood

From (10)_____ not to speak

So search for an excuse

And someone to believe you

In (11)_____ dressing rooms

I'm empty with the need to

Curse my enemies forever

Let's slit our wrists and burn (12)_____ something
beautiful

This desperation leaves me overjoyed

With fading lights that (13)_____ us (14)_____ the
lives that we destroy

Curse my enemies forever

Let's slit our wrists and (15)_____ down

(16)_____ beautiful

This (17)_____ is

(18)_____ me overjoyed

With fading lights that lead us past the lives that we destroy

Please understand

Lay (19)_____ (20)_____ I fall

I'm dead (21)_____ bad intentions

Suffocated and embalmed

And now all our dreams are (22)_____ in

You (23)_____ you wouldn't lose then lost your brain

You make a sound that feels like pain

So (24)_____ understand

This isn't just goodbye

This is I can't stand you

Fill in the gaps
