This is where the road (1) into the ocean	(16) beautiful
It (2) all around me	This (17) leaves me overjoyed
And now we're barely breathing	With fading (18) that (19) us past
A (3) faces we'll choose to ignore	the lives that we destroy
Curse my enemies forever	Curse my enemies forever
Let's slit our wrists and (4) down	Let's slit our (20) and burn down something
(5) beautiful	beautiful
This desperation (6) me overjoyed	This desperation is leaving me overjoyed
With (7) (8) that lead us past	With fading lights that (21) us past the lives that we
the lives that we destroy	destroy
I (9) to you cry	Please understand
A cry for less attention	Lay (22) (23) I fall
But (10) my hands are tied	I'm dead from bad intentions
And I'm pushed into the deep end	Suffocated and embalmed
I listen to you talk but talk is cheap	And now all our dreams are cashed in
And my mouth is filled with blood	You swore you wouldn't lose then lost (24) brain
From trying not to speak	You make a sound that feels (25) pain
So search for an excuse	So please understand
And (11) to (12) you	This isn't just goodbye
In foreign dressing rooms	This is I can't stand you
