

Reason will not lead to solution

## Fill in the gaps

Dear, I fear we're facing a problem	I will end up lost in confusion	
You love me no longer, I know and	I don't care if you really care	
Maybe (1) is nothing that I can do	As long as you don't go	
To make you do	So I cry, I (5) and I beg	
Mama tells me I shouldn't bother	Love me, love me	
That I (2) to stick to another man	Say that you love me	
A man that surely deserves me	Fool me, fool me	
But I think you do!	Go on and fool me	
So I cry and I pray and I beg	Love me, love me	
Love me, love me	Pretend that you love me	
Say that you love me	Leave me, leave me	
Fool me, fool me	Just say that you need me	
Go on and fool me	So I cry	
Love me, love me	And I beg for you to	
Pretend that you love me	Love me, love me	
Leave me, leave me	Say that you love me	
Just say that you need me	Leave me, leave me	
So I cry	Just say that you need me	
And I beg for you to	I can't (6) about (7)	but you
Love me, love me	Anything but you	
Say that you love me	Love me, love me	
Leave me, leave me	Say that you love me	
Just say that you (3) me	Fool me, fool me	
I can't care about anything but you	Go on and fool me	
Lately I have desperately pondered	Love me, love me	
Spent my nights awake and I wonder	I (8) that you need me	
What I (4) have done in another way	I can't (9) about (10)	but you
To make you stay		

- 1. there
- 2. ought
- 3. need
- 4. could
- 5. pray
- 6. care
- 7. anything
- 8. know
- 9. care
- 10. anything
