

Fill in the gaps

In The End by Linkin Park

It starts with

One thing

I don't know why

It doesn't (1)_____ matter how hard you try

Keep that in mind

I designed (2)_____ rhyme

To explain in due time

All I know

Time is a valuable thing

Watch it fly by as the pendulum swings

Watch it count down to the end of the day

The clock ticks life away

It's so unreal

Didn't look out below

Watch the time go right out the window

Trying to hold on

But didn't even know

Wasted it all just to

Watch you go

I kept (3)_____ inside and (4)_____

though I tried

It all fell apart

What it meant to me

Will eventually

Be a memory

Of a (5)_____ when I (6)_____ so hard

And got so far

But in the end

It doesn't even matter

I had to fall

To lose it all

But in the end

It doesn't even matter

One thing

I don't know why

It doesn't even matter how hard you try

Keep that in mind

I designed this rhyme

To remind myself how

I tried so hard

In (7)_____ of the way you were mocking me

Acting like I was part of your property

Remembering all the times you fought (8)_____ me

I'm surprised it got so far

Things aren't the way they were before

You wouldn't even recognize me anymore

Not that you knew me back then

But it all (9)_____ back to me

In the end

You kept everything inside and even though I tried

It all fell apart

What it meant to me

Will eventually

Be a memory

Of a time (10)_____ I tried so hard

And got so far

But in the end

It doesn't even matter

I had to fall

To lose it all

But in the end

It doesn't even matter

I've put my trust in you

Pushed as far as I can go

For all this

There's only one thing you should know

I've put my trust in you

Pushed as far as I can go

For all this

There's only one thing you should know

I tried so hard

And got so far

But in the end

It doesn't even matter

I had to fall

To lose it all

But in the end

It doesn't even matter
