Leave Before The Lights Come On by Arctic Monkeys

Well this is a good idea	Oh, he had a struggle
He wouldn't do it if it wasn't	And you woke up together not quite realising how
He wouldn't do it if it wasn't one	Oh, but he's (16) and yawning
Well my (1) you	It's (17) in the morning
Oh, what a way to begin it all	And I suppose that's the (19) you pay
You (3) it's (4) exciting	Oh, it isn't (20) it was
(5) to hear	She's thinking he looks different today
And we woke up together not (6) realizing how	And oh there's nothing (21) to guess now
Awkwardly stretching and yawning	Quick, let's leave, before the lights come on
It's always (7) in the morning	'Cos then you don't (22) to see
And I (8) that's the price you pay	'Cos (23) you don't have to see, what you've done
Oh, it isn't (9) it was	Quick, let's leave, before the lights come on
She's thinking he looks (10) today	'Cos (24) you don't have to see
And oh there's nothing left to guess now	'Cos then you don't have to see, what you've done
You left (11) the lights came on	I'll (25) you up, what time's the bus come?
Because you didn't (12) to ruin	I'll walk you up, what time's the bus come?
What it was that was brewing	
Before he (13) had to	
And how can you wake up	
With someone you don't love?	
And not (14) (15) fazed by it
