

Fill in the gaps

(Do do do do do doo)	She was all I thought about
(Do do do do do doo)	The girl I couldn't live without
(Do do do do do doo)	But then she went insane
She's got a lip ring and 5 colours in her hair	She couldn't take the fame
Not into fashion but I love the clothes she wears	She said I was to blame
Her tattoo's always hidden by her underwear	She'd had enough
But she don't care	And shaved (7) colours off and now
Everybody wants to know her naayaayaayaayme	She's just a weirdo (8) no name
I threw a house (1) and she caayaayaayaayme	Everybody wants to know her naayaayaayaayme
Everyone asked me	How does she cope with her new found faayaayaayaayme?
Who the hell is she?	Everyone (9) me
That weirdo (2) 5 (3) in her hair	Who the hell is she
She's just a loner (4) a sexy attitude	That weirdo with 5 colours in her hair
The rumours spreading now that she cooks in the nude	1 2 3 4
But she don't care, but she don't care	(Do do do do doo)
Everybody wants to know her naayaayaayaayme	(Do do do do doo)
How does she (5) with her new (6)	(Do do do do doo)
faayaayaayaayme?	(Dooo)
Everyone asks me	
Who the hell is she?	
That weirdo with 5 colours in her hair
