Too Afraid To Love You by The Black Keys

My gears they grind	All (2) sleepless nights
More each day	And all those wasted days
And I feel like	I wish (3) would leave me
They're gonna grind away	But I think he's here to stay
And the city blocks	What (4) can I do
They drive me wild	I'm wringing myself dry
They're never ending	And I can't afford to lose
Mile after mile	One more (5) from my eye
I just don't know what to do	I'm too afraid
I'm too afraid to love you	I'm too afraid
It's heaven on earth	I (6) don't (7) (8) to do
In her embrace	With myself
And her smiling face	Thinking all the (9) in you
I'm just one wishing	Don't know what to do
That I was a pair	Don't know (10) to do
With someone	Drivin me outta my mind
(Oh) somewhere	
I just don't (1) what to do
