Live A Little by Gym Class Heroes

Fill in the gaps

Can you feel the urgency?			
Like a needle pulling out		Staring at the clock	
Can you feel the urgency?		I (6) each tick and tock	
Pulses of anxiety		And they whisper that I lost the race	
We're just faces in the crowd		But I won't (7)	stop
Pulses of anxiety(oh)		I'll hold you by my side	
Are these the lies that we've been taught to believe?		I need you here to fight	
Are these the lives that we have opted to lead?		Cause' if we're gonna' lose this thing	
(Uh oh, uh oh)		Then we're goin' out in style	
		Staring at the clock	
Staring at the clock		I hear each tick and tock	
I hear each tick and tock		And they whisper that I lost the race	
And they whisper that I lost the race		But I won't fucking stop	
But I won't fucking stop		I'll hold you by my side	
l'll (1) you	by my side	You know I (8) you here to fight	
I need you here tonight		Cause' if we're gonna' lose this thing	
Cause' if we're gonna' lose (2) thing		Then we're goin' out in style	
Then we're goin' out in style		Staring at the clock	
Time (3) replace reality		I hear each tick and tock	
Now we are peaking	(4) the hours	And they whisper that I lost the race	
Time will replace reality		But I won't fucking stop	
So I grasp for sanity		I'll hold you by my side	
I refuse to be devoured		You know I need you here to fight	
So I grasp for sanity		Because if we're gonna'	(9) this thing
Are (5)	the lies that were taught to believe?	Then we're goin' out in st	tyle
Are these the lives we	e have opted to lead?
