Live A Little by Gym Class Heroes

Fill in the gaps

Can you feel the urgency?	
Like a needle pulling out	Staring at the clock
Can you feel the urgency?	I hear each (13) and tock
Pulses of anxiety	And they whisper that I lost the race
We're just faces in the crowd	But I won't fucking stop
Pulses of anxiety(oh)	I'll hold you by my side
Are these the (1) that we've been taught to	I (14) you here to fight
believe?	Cause' if we're gonna' lose this thing
Are these the lives (2) we have opted to lead?	Then we're goin' out in style
(Uh oh, uh oh)	Staring at the clock
	I (15) each tick and tock
Staring at the clock	And (16) whisper (17) I lost the race
I hear (3) tick and tock	But I won't fucking stop
And they (4) that I lost the race	I'll hold you by my side
But I won't fucking stop	You know I need you here to fight
I'll hold you by my side	Cause' if we're gonna' lose this thing
I need you (5) tonight	Then we're goin' out in style
Cause' if we're gonna' lose this thing	Staring at the clock
Then we're goin' out in style	I hear each tick and tock
Time will replace reality	And (18) whisper (19) I lost the race
Now we are peaking through the hours	But I won't (20) stop
Time (6) (7) reality	I'll hold you by my side
So I grasp for sanity	You (21) I (22) you (23) to
I (8) to be devoured	fight
So I (9) for sanity	Because if we're gonna' lose this thing
Are these the (10) that were taught to believe?	Then we're goin' out in style
Are (11) the (12) we have opted to	
lead?	
(Uh oh, uh oh)
