Live A Little by Gym Class Heroes

(Uh oh..., uh oh...)

Fill in the gaps

Can you reel the urgency?				
Like a needle pulling out		Staring at the clock		
Can you feel the urgency?		I (4) each tick and tock		k
Pulses of anxiety		And they whisper that I (5) the race		
We're just faces in the crowd		But I won't (6) stop		stop
Pulses of anxiety(oh)		I'll hold you by my side		
Are these the lies that we've been taught to believe?		I need you here to fight		
Are these the lives that we have opted to lead?		Cause' if we're gonna' lose (7) th		thing
(Uh oh, uh oh)		Then we're goin' out in style		
		Staring at the clock		
staring at the clock		I hear each tick and tock		
I hear each tick and tock		And they whisper that I lost the race		ace
And they whisper that I lost the race	But I won't fucking stop			
But I won't fucking stop		I'll hold you by my side		
I'll hold you by my side		You know I need you here to fight		
I need you here tonight		Cause' if we're gonna' (8) this thing		
Cause' if we're gonna' lose this thing		Then we're goin' out in style		
Then we're goin' out in style		Staring at the clock		
Time (1) replace reality		I hear each tick and tock		
Now we are peaking through the hours		And they whisper that I (9) the race		
Time will replace reality		But I won't fucking stop		
So I grasp for sanity		I'll hold you by my side		
I refuse to be devoured		You know I need you (10) to fight		
So I grasp for sanity		Because if we're gonna' lose this thing		
Are these the lies that (2) (3) to	0	Then we're goi	n' out in style	
believe?				
Are these the lives we have opted to lead?
