

## Fill in the gaps

(Oh), for the sake of momentu	m
I've allowed my fears	
To get larger than life	
And it's (1)	me to my current agendum
Whereupon I deny fulfillment h	nas yet to arrive
And I (2) life is gett	ing shorter
I can't bring myself to set the s	scene
Even (3) it's approa	aching torture
I've got my routine	
(Oh), for the sake of momentu	m
Even though I (4) with that stuff	
About seizing the day	
But I (5) to think of	effort expanded
All those minutes and (6)	and hours
I've have (7)	away
And I know life is (8)	shorter

can't bring myself to set the scene		
Even when it's (9) to	orture	
've got my routine		
But I can't confront the doubts I have		
can't admit that maybe the pas was bad		
And so, for the sake of momentum		
'm condemning the future to death		
So it can match the past		
But I can't confront the doubts I have		
can't admit (10) maybe the pas was	bad	
And so, for the sake of momentum		
'm condemning the future to death		
So it can match the past
