

Fill in the gaps

I remember black skies
The lightning all around me
I remember each flash
As time began to blur
Like a startling sound
That (1) had finally found me
And your voice is all I heard
That I get what I deserve
So give me reason
To prove me wrong
To wash this memory clean
Let the thoughts cross
The distance in your eyes
Now (2) me reason
To fill this hole
Connect the space between
Let it (3) up
To reach the truths and lies
Across this new divide
There was (4) left inside
The memories left abandoned
There was nothing else to hide
Te ashs fell like snow
And the ground caved in
Between where we were standing
And your (5) is all I heard
That I get what I deserve

So give me reason
To prove me wrong
To (6) this memory clean
Let the thoughts cross
The distance in your eyes
Across this new divide
And (7) loss and every lie
And every truth that you deny
And each regret and each goodbye
Was a mistake too great to hide
And your voice is all I heard
That I get what I deserve
So give me reason
To prove me wrong
To wash this memory clean
Let the thoughts cross
The distance in (8) eyes
Give me reason
To fill (9) hole
Connect the space between
Let it fill up
To reach the truths and lies
Across this new divide
Across this new divide
Across this new divide
