

## Fill in the gaps

I (1)	black skies
The lightning all around me	
I remember each flash	
As time began to blur	
Like a startling sound	
That fate had finally found me	
And (2) voice	is all I heard
That I get what I deserve	
So give me reason	
To prove me wrong	
To wash this memory clear	an
Let the thoughts cross	
The distance in your eyes	3
Now give me reason	
To fill this hole	
Connect the (3)	between
Let it fill up	
To reach the truths and li	es
Across this new divide	
There was nothing left inside	
The memories left abandoned	
There was nothing else to hide	
Te ashs fell like snow	
And the ground caved in	
Between where we were standing	
And your voice is all I heard	
That I get what I deserve	

So give me reason	
To prove me wrong	
To wash (4) memory clean	
Let the thoughts cross	
The distance in your eyes	
Across (5) new divide	
And (6) loss and every lie	
And every truth that you deny	
And each regret and each goodbye	
Was a mistake too great to hide	
And your (7) is all I heard	
That I get what I deserve	
So give me reason	
To prove me wrong	
To wash this memory clean	
Let the thoughts cross	
The distance in your eyes	
Give me reason	
To fill (8) hole	
Connect the space between	
Let it (9) up	
To reach the truths and lies	
Across this new divide	
Across this new divide	
Across (10) new divide
