

Fill in the gaps

Listen babe	Baby tell me why
Every (1) I see you I get a bad vibe	(When we (17) together)
Just thinkin of someone else in between you	We never turned our backs on each other
And you (2) you were (3) had	(Oh) But now that we're separated
tricks up your sleeve	We can't (18) one another
But I'm (4) of your stupid act and I know you're	It's really over baby
(5) of me	Cause you did me wrong
That's why I say	You did me wrong I thought you were true
(When we (6) together)	You ran out of my (19) and now I'm so
We (7) turned our backs on each other	(20) with you
(Oh) But now that we're separated	I remember when you used to sit there
We can't stand one another	I would hold you in my arms and you (21) say to
I don't wanna be with you put that on	me
(8) I own	(Yeah)
I can't believe I (9)(10)	I would rub your body you would say to me (yeah)
(11) damn long	When we (22) together you'd say (yeah)
If I (12) see you again I won't be mad at all	I can hear your (23) (24) (yeah)
Cause I believe (13) you are my downfall	Sounds so (25) to me (oh yeah, oh yeah yeah
You did me wrong	yeah)
You did me wrong I thought you were true	(When we were together)
You ran out of my (14) and now I'm so through	(We never turned our backs on each other)
(15) you	
I wanted you to be there right here with me (oh)	
When we were together	
We never (16) our backs on each other	
(Oh) But now that we're separated	
We can't stand one another
