Fill in the gaps

Neutron Star Collision (Love Is Forever) by Muse

I was searching
You were on a mission
Then our hearts (1)_____ like
A (2)_____ star collision
I have (3)_____ left to lose
You took your time to choose
Then we told each other
With no trace of (4)_____ that...
Our love would be forever
And if we die, we die together
And lie, I (5)_____ never
'Cause our love would be forever
The world is broken
Halos fail to glisten
You try to make a difference
But no one (6)_____ to listen
Hail, the preachers, fake and proud
Their doctrines (7)_____ be cloud
Then they'll dissipate
Like snowflakes in an ocean
Love is forever
And we'll die, we'll die together
And lie, I say never
'Cause our love could be forever
Now I've got nothing left to lose
You take (8)_____ time to choose
I can tell you now without a trace of fear
That my love will be forever
And we'll die, we'll die together
Lie, I (9)_____ never
'Cause our love will be forever

Fill in the gaps

Answer

1. combined
2. neutron
3. nothing
