

## Fill in the gaps

### Neutron Star Collision (Love Is Forever) by Muse

I was searching  
You were on a mission  
Then our hearts (1)\_\_\_\_\_ like  
A neutron star collision  
I (2)\_\_\_\_\_ (3)\_\_\_\_\_ left to lose  
You took your time to choose  
Then we told (4)\_\_\_\_\_ other  
With no trace of fear that...  
Our love would be forever  
And if we die, we die together  
And lie, I said never  
'Cause our (5)\_\_\_\_\_ would be forever  
The world is broken  
Halos fail to glisten  
You try to make a difference  
But no one wants to listen  
Hail, the preachers, fake and proud

Their doctrines will be cloud  
Then they'll dissipate  
Like snowflakes in an ocean  
Love is forever  
And we'll die, we'll die together  
And lie, I say never  
'Cause our love could be forever  
Now I've got nothing left to lose  
You take your (6)\_\_\_\_\_ to choose  
I can tell you now without a trace of fear  
That my (7)\_\_\_\_\_ will be forever  
And we'll die, we'll die together  
Lie, I will never  
'Cause our (8)\_\_\_\_\_ will be forever

## Fill in the gaps

Answer

1. combined
2. have
3. nothing
4. each
5. love
6. time
7. love
8. love
