

Fill in the gaps

Neutron Star Collision (Love Is Forever) by Muse

I was searching

You (1)_____ on a mission

Then our (2)_____ combined like

A neutron star collision

I have nothing (3)_____ to lose

You (4)_____ (5)_____ (6)_____ to choose

Then we told (7)_____ other

With no trace of (8)_____ that...

Our (9)_____ would be forever

And if we die, we die together

And lie, I said never

'Cause our (10)_____ would be forever

The world is broken

Halos fail to glisten

You try to (11)_____ a difference

But no one wants to listen

Hail, the preachers, (12)_____ and proud

Their (13)_____ will be cloud

Then they'll dissipate

Like snowflakes in an ocean

Love is forever

And we'll die, we'll die together

And lie, I say never

'Cause our (14)_____ (15)_____ be forever

Now I've got (16)_____ left to lose

You take (17)_____ (18)_____ to choose

I can (19)_____ you now without a trace of fear

That my (20)_____ (21)_____ be forever

And we'll die, we'll die together

Lie, I will never

'Cause our love will be forever

Fill in the gaps

Answer

1. were
2. hearts
3. left
4. took
5. your
6. time
7. each
8. fear
