Neutron Star Collision (Love Is Forever) by Muse

| I was searching | Their (12) will be cloud |
|-------------------------------------|-----------------------------------|
| You (1) on a mission | Then they'll dissipate |
| Then our hearts combined like | Like snowflakes in an ocean |
| A neutron star collision | Love is forever |
| I have nothing (2) to lose | And we'll die, we'll die together |
| You took your time to choose | And lie, I say never |
| Then we (3) (4) other | 'Cause our (13) could be forever |
| With no trace of (5) that | Now I've got (14) left to lose |
| Our (6) would be forever | You (15) your (16) to choose |
| And if we die, we die together | I can tell you now (17) a (18) |
| And lie, I (7) never | of fear |
| Cause our (8) would be forever | That my love (19) be forever |
| The world is broken | And we'll die, we'll die together |
| Halos (9) to glisten | Lie, I will never |
| You try to make a difference | 'Cause our (20) will be forever |
| But no one (10) to listen | |
| Hail, the preachers, (11) and proud | |
