

Fill in the gaps

Neutron Star Collision (Love Is Forever) by Muse

I was searching

You (1)_____ on a mission

Then our hearts combined like

A neutron star collision

I have (2)_____ left to lose

You took (3)_____ time to choose

Then we told (4)_____ other

With no (5)_____ of fear that...

Our (6)_____ would be forever

And if we die, we die together

And lie, I said never

'Cause our (7)_____ (8)_____ be forever

The world is broken

Halos fail to glisten

You try to make a difference

But no one wants to listen

Hail, the preachers, fake and proud

Their doctrines will be cloud

Then they'll dissipate

Like (9)_____ in an ocean

Love is forever

And we'll die, we'll die together

And lie, I say never

'Cause our (10)_____ could be forever

Now I've got nothing left to lose

You take your time to choose

I can tell you now without a trace of fear

That my love will be forever

And we'll die, we'll die together

Lie, I will never

'Cause our love will be forever
