

Fill in the gaps

From the (1) of gold, across the (2)	And throw my hands up to the sky
seas	So understand
I'm traveling on, far and wide	Don't waste (17) time
But now it seems, I'm just a stranger to myself	Always searching for those (18) years
And all the things I sometimes do	Face up make your stand
It isn't me but someone else	And (19) you're (20) in the
I close my eyes, and (3) of home	golden years
Another city goes by, in the night	So understand
Ain't it (4) how it is, you (5) miss it	Don't (21) your time
til it's gone away	Always searching for (22) wasted years
And my (6) is lying (7) and will be	Face up (23) your stand
til my dying day	And realize you're living in the golden years
So understand	So understand
Don't waste (8) time	Don't waste your time
Always searching for those wasted years	Always searching for those wasted years
Face up make (9) stand	Face up make your stand
And (10) you're living in the	And realize you're (24) in the golden years
(11) years	
Too (12) time on my hands, I got you on my mind	
Can't ease this pain, so easily	
When you can't find the (13) to say	
It's (14) to make it (15) another	
day	
And it (16) me wanna cry
