

## Fill in the gaps

Lord (1) mercy	When the preacher man read the scriptures
I remember the day I called (2) on the telephone	You looked so beautiful, so beautiful
I told her mama I'm (3) married	And so innocent
I could hear her voice on the other side	I did not know that behind that beauty
Of the telephone she was smiling	Lies the (13) colours (14)
And she asked me a question	(15) destroy me
That I proudly answered	In the near future
She said son did you take time	This choice I (16) didn't work out to be
To know her?	What I (17) it would be
I said mama, she is the best	(Oh) mama this choice I made
But today it hurts me so to go back to	Didn't (18) out the way I thought it would
Mama and say	Now I'm hurting
Mama I'm (4) divorced	I remember (19) I (20) you by the hand
(Oh) I'm getting divorced	Preacher man (21) the scriptures
The choice I made didn't (5) out the way	Putting words in your mouth
I thought it would	Maybe what the preacher man said
This choice I made	Was not something that was within you
It (6) me so mama	Now I (22) what (23) mean when they
This choice I made didn't work out the way	say
I thought it would	Beautiful woman
This choice of mine (oh)	Is another man's plaything
Mama (7) to me	(Oh) lord, I'm hurting now
It's not easy to (8) it son	This (24) I made didn't work out the way
But I (9) you'll (10) it	I thought it would
You'll be (11) again	This choice of mine (oh)
It's not easy to (12) it son	Mama said to me
But I hope you'll make it	It's not easy to understand it son
You'll be happy again	But I hope you'll (25) it
I remember in church	(You'll be happy again)
