

Fill in the gaps

Through The Fire And The Flames by DragonForce

On a (1)_____ winter morning, in the time before the light
In flames of death's eternal reign we ride towards the fight
And the (2)_____ is falling down
And the (3)_____ are tough all right
The sound of evil (4)_____ falls around the
world tonight
Fighting high, fighting on for the steel
Through the wastelands evermore
The scattered souls will (5)_____ the (6)_____
bodies
Wasted on the shores
On the blackest waves in hells domain
We watch (7)_____ as they go
Through fire, pain and once again we know
So now we fly ever free
We're (8)_____ before the thunderstorm
On towards the wilderness our quest (9)_____ on
Far beyond the sundown, far (10)_____ the
moonlight
Deep inside our (11)_____ and all our souls
So far away we (12)_____ for the day
For the light source so wasted and gone
We feel the (13)_____ of a (14)_____ lost
in a thousand days
Through the fire and the flames we carry on
As the red day is dawning
And the lightning (15)_____ the sky
They raise their (16)_____ to the
(17)_____ above
As we send (18)_____ to their lies

Running (19)_____ through the mid-morning light
There's a (20)_____ in my heart
We're (21)_____ from the time in the fallen
land
To a light beyond the stars
In the blackest (22)_____ we do believe
Our (23)_____ this time
And endlessly we'll all be free tonight
And on the wings of a dream so far beyond reality
All alone in desperation now the time is gone
Lost inside you'll never find Lost within my own mind
Day after day this misery must go on
So far away we wait for the day
For the light source so wasted and gone
We feel the pain of a lifetime lost in a thousand days
Through the fire and the flames we (24)_____ on
Now (25)_____ we stand with their blood on our hands
We (26)_____ so hard now can we understand
I'll break the seal of this curse if I possibly can
For freedom of every man
So far away we wait for the day
For the light source so wasted and gone
We feel the pain of a lifetime lost in a thousand days
Through the fire and the flames we carry on

Fill in the gaps

Answer

1. cold
