

## Fill in the gaps

This is (1) I look like today	So I'd never (10) that I'm a (11) such
And I'm trying not to pull out my hair	unsuitable
'm trying how to grow it but I'm far too shy	Suited for her
To (2) it back there	And if you ask me
That is probably why I like wearing hats	The feeling that I'm feeling is complimentery
There's no (3) I'm	And oh, it (12) to show
(4) the facts	The moral of the (13) is boy (14)
Avoiding confrontation	girl
_acks tact in a situation	And so on but the way it unfolds is yet to be told
Behind every line is a (5) yet to learn	I know (15) I should be brave
But if you asked me	Even pretty can be seen by the blind
The feeling that I'm feeling is overwhelming	I know (16) I cannot wait
And oh, it goes to show	Until the day we finally learn how to (17)
There's so much to know	(18) other
wrote (6) for my prettiest friend	Redefining open minds
But while trying not to (7) that I care	And if you ask me
was (8) not to make all my moves	The (19) that I'm (20) is
n one motion and scare her away	overjoyed
She can't see she's making me crazy now	And it's golden, it goes to show then
don't believe she (9) she's amazing how	The ending of this song (21) be left alone
She has me holding my breath	And so on 'cause the way it unfolds is yet to be told
