

Fill in the gaps

opened my eyes last night	In the deep
And saw you in the low light	And I can hardly
Walking down by the bay	Relax or (17) oversleep
On the shore	When I feel (18) with your hand
Staring up at the stars	In mine
That aren't there anymore	When we walk along the shoreline
was feeling the night	I guess we'll never know
Grow old	Why sparrows love the snow
And you (1) looking so cold	We'll turn out all of the lights
So like an introvert	And set this ballroom aglow
(2) my (3) shirt	So tell me darling
Around my arms	Do you (19) we'd fall in love?
And began to shiver violently before	(Yeah) All the time
You (4) to look	All the time
And see	Time (20) isn't ever quite enough
The tunnels all around me	When you and I are alone
Running (5) the dark	I've (21) felt so at home
Jnderground	What will it take to make or break this (22) of love?
All the (6) around	Only time
Create a (7) sound	Only time
To my motion fatigue	When we're apart what ever
Farewell	Are you (23) of?
Nith your ear to a seashell	If this is what I call home
You can hear the waves	Why does it feel so alone?
n (8) caves	So (24) me darling
As if you actually	Do you wish we'd fall in love?
Were inside a (9) room	All the time
Time together isn't ever (10) enough	All the time
When you and I are alone	Time together isn't ever (25) enough
've (11) so at home	When we're apart what ever
What will it take to make or	Are you thinking of?
Break this hint of love?	What will it take to make or (26) this hint of love?
Only time	So tell me darling
Only time	Do you (27) we'd fall in love
Can you (13) the crew	All the time
Has gone	(Oh) All the time
And wouldn't let me (15) on	
All my islands (16) sunk
