

A kingdom without a king

## Rootless by Marina & the Diamonds

'm a cloud (1) by	With no sense of belonging
Dripping (2) from the sky	For a root, for a leaf, for a branch, for a tree
'm a snail without a shell	For something somebody (6) reminded them of me
A leper with a golden bell	Running with my roots pulled up
've got (3) to go	Caught me cold so they (7) cut
'm a stray cat on the roam	What there was left of love
Choking on a chicken bone	I'm rootless
For a home sweet, no (4) home	I'm rootless
For a root, for a leaf, for a branch, for a tree	Running with my roots pulled up
For something somebody that reminded them of me	So they could cut me free of love
Running with my roots pulled up	Running with my roots pulled up
Caught me cold so they could cut	Caught me cold so they could cut
What (5) was left of love	What (8) was left of love
'm rootless	I'm rootless
'm rootless	I'm rootless
Nork your fingers to the bone	Dragging my roots through the snow
Building castles out of snow	Go home (9) and no sweet home
'm a nomad walking on	I've got nowhere to go
Humming to the same old song	I'm rootless
_ower case society	I'm rootless
