When You Kiss Me by Shania Twain

Yeah	And when you're with me
This could be it	The world just goes away
think I'm in love	The way you hold me
t's love this time	The way you show me
t just seems to fit	That you adore me
think I'm in love	Oh, when you kiss me
This (1) is mine	(Mmm) Yeah
can see you with me when I'm older	I can see you with me when I'm older
All my lonely nights are finally over	All my lonely nights are finally over
You took the weight of the world off my shoulders	You took the weight of the world off my shoulder
The world just (2) away)	(The world just goes away)
Oh, when you kiss me	When you (6) me

And when you're with me	And when you're with me
The world (4) goes away	The (7) just (8) away
The way you hold me	The way you (9) me
The way you show me	The way you show me
That you adore me	That you adore me
Oh, when you kiss me	The world just goes away
