I used to think one day we'd tell the story of us	And we're not speaking
How we met and the sparks flew instantly	And I'm dying to know
And people would say they're the lucky ones	Is it killing you like it's killing me? yeah
I used to know my (1) was the spot next to you	I don't know (12) to say since a twist of fate
Now I'm searching the room for an (2) seat	When it all broke down
'Cause lately I don't even know what page you're on	And the story of us looks a lot like a tragedy now
(Oh) a simple complication	This is looking like a contest
Miscommunications lead to fallout	Of who can act like they (13) less
So (3) (4) that I wish you knew	But I liked it better when you were on my side
So many walls up I can't (5) through	The battle's your hands now
Now I'm standing alone in a crowded room	But I (14) lay my armor down
And we're not speaking	If you said you'd rather (15) than fight
And I'm (6) to know	So many things that you wish I knew
Is it killing you like it's killing me? yeah	But the (16) of us might be ending soon
I don't know what to say since a twist of fate	Now I'm standing alone in a (17) room
When it all broke down	And we're not speaking
And the (7) of us looks like a lot like a tragedy	And I'm (18) to know
now	Is it killing you (19) it's killing me? yeah
Next chapter	And I don't know what to say (20) a twist of fate
How'd we end up this way?	When it all broke down
See me nervously pulling at my clothes	And the story of us
And trying to look busy	Looks like a lot like a tragedy now, now, now
And you're doing your best to avoid me	And we're not speaking
I'm starting to think one day	And I'm dying to know
I'll tell the story of us	Is it killing you (21) it's killing me? yeah
How I was losing my mind (8) I saw you here	I don't know (22) to say (23) a
But you held your pride	(24) of fate
Like you should (9) held me	'Cause we're (25) down
(Oh) I'm scared to see the ending	And the story of us
Why are we pretending this is nothing?	Looks a lot like a tragedy now
I'd tell you I miss you but I don't know how	The end
I've never heard silence quite (10) loud	
Now I'm (11) alone in a crowded room
