Have You Ever Really Loved A Woman? (Live) by Bryan Adams

To really	To tell her that it's gonna last together
Love a woman	Tell me have you ever really
To (1) her	Really, really ever loved a woman?
You (2) know her deep inside	(Yeah)
Hear every thought	You got to give her (17) faith
See every dream	Hold her tight
And (3) her (4) when she wants to fly	A little tenderness
And when you find (5) (6)	You gotta (18) her right
helpless	She (19) be there for you
In her arms	Taking good care of you
You know you really	You really gotta love your woman
Love a woman	And when you find yourself lying helpless
When you (7) a woman	In her arms
You tell her (8) she's really wanted	You (20) you really
When you (9) a woman	Love a woman
You tell her (10) she's the one	(Yeah)
cause she needs somebody	When you (21) a woman
To tell her (11) it's gonna last forever	You tell her that she's really wanted
So tell me have you ever really	When you love a woman
Really, really (12) loved a woman?	You (22) her that she's the one
To really love a woman	She needs somebody
Let her hold you	To (23) her (24) it's gonna last together
Till you know how she needs to be touched	Tell me have you ever really
You've gotta (13) her	Really, really (25) loved a woman?
Really taste her	(Yeah)
Till you can (14) her	Tell me have you (26) really
In your blood	Really, really ever loved a woman?
And when you see your unborn children	(Oh) You've got to tell me (27) you ever really
In her eyes	(Really, really ever loved)
You (15) you really love a woman	Really, really ever loved
When you love a woman	A woman?
You (16) her that she's really wanted	
When you love a woman
