Fill in the gaps

Everything Has Changed by Taylor Swift & Ed Sheeran

All I (1) this (2)	when I woke	I just want to know you know you
s I know something now		'Cause all I know is we said "hello"
Know something now I didn't before		And your eyes look like coming home
And all I've seen since eighteen hours ago		All I know is a simple name
s (3) eyes and (4)	and	Everything has changed
your smile		All I know is you held the door
n the back of my mind (5) r	me feel like	You'll be mine and I'll be yours (oh)
just want to know you (6) I	know	All I know (16) yesterday
You better know you (7) no	W	Is everything has changed
just want to know you better know		Come back and tell me why
You better know you better now		I'm (17) like I've missed you all this time
just want to know you (8) I	now	(Oh, oh, oh)
You better know you better now		And meet me (18) tonight
just want to know you know you know you		Let me know that it's not all in my mind
Cause all I know is we said "hello"		I just want to know you (19) know
And your (9) look like coming ho	me	You better now you better now
