## Everything Has Changed by Taylor Swift & Ed Sheeran

All I knew this morning when I woke	I just want to know you know you (7) you
Is I know something now	'Cause all I know is we said "hello"
Know something now I didn't before	And your eyes look like coming home
And all I've seen since eighteen hours ago	All I know is a simple name
Is green eyes and freckles and your smile	Everything has changed
In the back of my mind making me feel like	All I know is you (8) the door
I just want to know you better know	You'll be mine and I'll be yours (oh)
You better know you better now	All I know since yesterday
I just want to know you better know	Is everything has changed
You better know you better now	Come back and tell me why
I just want to know you better know	I'm feeling like I've missed you all this time
You better know you better now	(Oh, oh, oh)
I just want to know you know you (1) you	And meet me there tonight
'Cause all I know is we said "hello"	Let me know that it's not all in my mind
And your eyes look like coming home	I just want to know you better know
All I know is a simple name	You better now you better now
Everything has changed	I just want to know you know you know you
All I know is you held the door	All I know is we (9) "hello"
You'll be (2) and I'll be yours (oh)	Your eyes look like coming home
All I know (3) yesterday	All I know is a simple name
Is everything has changed	Everything has changed
And all my walls stood tall, (4) blue	All I know is you held the door
I'll take 'em down, take 'em down	You'll be mine and I'll be yours
And open up the door for you	All I (10) since yesterday
And all I feel	Is everything has changed
In my stomach is butterflies	All I know is we said "hello"
The beautiful kind	So dust off your highest hopes
Makin' up for lost time	All I know is pouring rain
Takin' flight making me (5) like	And everything has changed
I just want to know you better know	All I know is a new found grace
You better know you better now	All my days I'll know your face
I just want to know you better know	All I know since yesterday
You (6) know you better now	Is everything has changed
