

But I know I had the best day

## Fill in the gaps

	With you today
I'm five years old	I have an excellent father
It's getting (1) out I got	His strength is making me stronger
My big coat on	God smiles on my little brother
I hear your laugh and (2) up smiling at you	Inside and out he's better than I am
I run and run	I (5) up in a pretty house
Past the pumpkin patch	And I had space to run and I
And the tractor rides, look now	Had the best days with you
The sky is gold	There is a video I found from back when
I hug your legs and fall asleep	I was three
On the way home	You set up a paint set in the kitchen and you're
I dont know why	Talking to me
All the trees change in the fall	Its the age of princesses and pirate ships
I know you're not scared of anything at all	And the seven dwarfs
Don't know if Snow White's house is near or far away	And Daddy's smart and you're the prettiest lady in
But I know I had the best day	The whole wide world
With you today	And now I know why
I'm thirteen now	All the trees change in the fall
And dont know how my friends	I (6) you were on my side
Could be so mean	Even when I was wrong
I come home crying and you hold me tight	And I (7) you for giving me (8) eye
And grab the keys	Staying back and watching me (9) and
And we drive and drive	I didn't know if you knew
Until we found a town far enough away	So I'm taking (10) chance to say
And we talk and window shop 'til I've forgotten	That I had the best day
All their names	With you
I don't know who I'm gonna (3) to now at school	Today
I know I'm laughing on the car ride (4) with you	
Don't know how long it's gonna take to feel ok
