

But I know I had the best day

Fill in the gaps

	With you today
'm (1) old	I have an excellent father
t's getting cold out I got	His strength is making me stronger
My big coat on	God smiles on my (16) brother
hear your laugh and (3) up smiling at you	Inside and out he's better than I am
run and run	I grew up in a pretty house
Past the pumpkin patch	And I had space to run and I
And the tractor rides, look now	Had the best days (17) you
The sky is gold	There is a video I (18) from back when
hug (4) legs and fall asleep	I was three
On the way home	You set up a (19) set in the kitchen and you're
dont (5) why	Talking to me
All the trees (6) in the fall	Its the age of princesses and pirate ships
(7) you're not (8) of anything at	And the seven dwarfs
all	And Daddy's smart and you're the (20)
Don't know if Snow White's house is near or far away	lady in
But I (9) I had the (10) day	The whole wide world
Nith you today	And now I know why
'm thirteen now	All the trees change in the fall
And dont know how my friends	I know you were on my side
Could be so mean	Even when I was wrong
come home crying and you hold me tight	And I (21) you for (22) me your
And grab the keys	eyes
And we (11) and drive	Staying (23) and watching me shine and
Until we (12) a (13) far enough away	I didn't (24) if you knew
And we talk and window shop 'til I've forgotten	So I'm taking this (25) to say
All their names	That I had the (26) day
don't know who I'm gonna talk to now at school	With you
know I'm laughing on the car ride home with you	Today
Don't know how (14) it's (15) take to	
eel ok
