I'm Only Me When I'm With You by Taylor Swift

Friday night (1) the stars	You say (12) you can't (13) without me
In a field behind your yard	I'm (14) up when you're not down
You and I are (2) (3)	Don't wanna fly if you're (15) on the ground
in the sky	It's like no (16) I do
And (4) we don't say a thing	Well, you drive me crazy half the time
Just listen to the crickets sing	The (18) half I'm only trying
Everything I need is right here by my side	To let you know that what I feel is true
And I (5) everything about you	And I'm only me when I'm with you
I don't (6) live without you	When I'm with (19) else
I'm (7) up when you're not down	It's so hard to be myself
Don't wanna fly if you're still on the ground	And only you can see
It's like no matter what I do	That I'm (20) up when you're not down
Well, you drive me crazy (8) the time	Don't wanna fly if you're (21) on the ground
The other half I'm only trying	It's like no matter what I do
To let you know that what I feel is true	Well, you drive me (22) half the time
And I'm only me when I'm with you	The other half I'm only trying
Just a small (9) boy and girl	To let you know that what I feel is true
Livin' in a crazy world	And I'm only me, who I wanna be
Tryin' to figure out what is and isn't true	Well, I'm only me when I'm with you
And I don't try to hide my tears	With you
The (10) all my deepest fears	
Through it all nobody gets me like you do	
And you know (11) about me
