Come Back... Be Here by Taylor Swift

You said it in a simple way
Four a.m. the second day
How strange that I don't know you at all
Stumbled through the long goodbye
One (1)_____ kiss, then catch your flight
Right when I was just about to fall
I told myself don't get attached
But in my mind I play it back
Spinning faster than the (2)_____ that took you
And this is (3)_____ the feeling (4)_____ in
I don't wanna miss you like this
Come back, be here
Come back, be here
I guess you're in New York today
I don't wanna need you this way
Come back, be here
Come back, be here
The delicate beginning rush
The feeling you can know so much
Without knowing anything at all
And now (5)_____ I can put this down
If I had known what I know now
I never would (6)_____ played so nonchalant
Taxi cabs and busy streets
That (7)_____ bring you back to me
I can't help but wish you took me with you

And this is when the feeling sinks in
I don't wanna miss you like this
Come back, be here
Come back, be here
I (8)_____ you're in London today
I don't wanna need you (9)_____ way
Come back, be here
Come back, be here
This is falling in love in the cruelest way
This is falling for you and you are worlds away
New York... be here
But you're in London and I break down
'Cause it's not fair that you're not around
This is when the feeling sinks in
I don't wanna miss you like this
Come back, be here
Come back, be here
I guess you're in New York today
And I don't wanna (10)_____ you this way
Come back, be here
Come back, be here
I don't wanna miss you like this...
Come back, be here
Come back, be here
