Come Back... Be Here by Taylor Swift

You said it in a simple way		And this is when the feeling sinks in
Four a.m. the second day		I don't wanna miss you like this
How strange (1) I don't (2)_	you at all	Come back, be here
Stumbled through the long goodbye		Come back, be here
One last kiss, then (3) your flight		I (9) you're in London today
Right when I was (4) about to fall		I don't wanna need you this way
I told myself don't get attached		Come back, be here
But in my mind I play it back		Come back, be here
Spinning (5) than the p	plane that took you	This is falling in love in the cruelest way
And this is when the feeling sinks in		This is falling for you and you are worlds away
I don't wanna miss you (6) this		New York be here
Come back, be here		But you're in London and I break down
Come back, be here		'Cause it's not fair that you're not around
I guess you're in New York today		This is when the feeling sinks in
I don't wanna need you this way		I don't wanna miss you like this
Come back, be here		Come back, be here
Come back, be here		Come back, be here
The delicate beginning rush		I guess you're in New York today
The feeling you can know so much		And I don't wanna need you this way
Without knowing anything at all		Come back, be here
And now (7) I can put this down		Come back, be here
If I had known what I know now		I don't wanna miss you like this
I never would have (8)	so nonchalant	Come back, be here
Taxi cabs and busy streets		Come back, be here
That never bring you back to me		
I can't help but wish you took me with you
